Grammar Structures

Past perfect background

Pattern: had + past participle

Used to describe earlier events

Example: Philip had transformed the state.

Uzbek: U avval davlatni o'zgartirib bo'lgan edi.

Relative clause

Pattern: who / which / that

Adds extra information

Example: Alexander, who was king, led the army.

Uzbek: Qo'shimcha ma'lumot beruvchi gap.

Participle clause

Pattern: -ing / -ed clause

Shortens complex sentences

Example: Having defeated the Persians, he marched east.

Uzbek: Qisqa qo'shimcha harakatni bildiradi.

Passive voice

Pattern: be + past participle

Focus on action not actor

Example: The empire was carved up.

Uzbek: Harakatga urg'u beriladi.

Result clause

Pattern: so / such that

Shows consequence

Example: The army was so strong that enemies surrendered.

Uzbek: Natijani bildiradi.

Contrast clause

Pattern: although / while

Shows contrast

Example: Although exhausted, the soldiers continued.

Uzbek: Qarama-qarshilikni bildiradi.

Cause clause

Pattern: because / since

Explains reason

Example: Because the army was tired, they stopped.

Uzbek: Sababni ko'rsatadi.

Complex noun phrase

Pattern: adj + noun + of phrase

Adds detail

Example: a vast and ethnically diverse empire

Uzbek: Murakkab ot birikmasi.

Reporting structure

Pattern: was regarded as

Express reputation

Example: He was regarded as the greatest general.

Uzbek: Nimani deb hisoblashni bildiradi.

Prepositional phrase

Pattern: at the head of

Describes position

Example: He marched at the head of the army.

Uzbek: Joylashuvni bildiradi.

Sentence Building Practice

- Complete: Alexander _____ a vast empire across Asia.
- Complete: The army managed to _____ all resistance.
- Rewrite using passive: The generals divided the empire.
- Rewrite naturally: He had a very strong desire for glory.
- Use the collocation 'formidable army' in a sentence.
- Transform: Although the soldiers were exhausted, they continued.
- Use 'cultural exchange' in your own example.
- Combine: Alexander defeated the Persians. He marched east.
- Rewrite using participle clause: After he defeated the army, he advanced.
- Create a sentence using 'accelerate the spread'.
